Practice Drive Log

Use this to track your practice drives. Remember to drive with a purpose. Focus on specific skills while developing good driving habits. Upon successful completion of an ODOT approved driving course drivers under 18 years old need to have 50 hours of supervised driving practice. Otherwise, they will need to have 100 hours of supervised driving practice. ****YOU NEED TO BRING THIS TO EVERY DRIVING LESSON****

DATE	Session Topic / Drive Focus	Time (Minutes)	Cumulative Time (M)	Driver's Initials	Adult's Initials	Instructor's Initials
