

This form needs to be completed and returned to our office as soon as possible.

INSTRUCTIONS FOR FILLING IN FORM:

Please select ALL the days and times that you can make for lessons. It is important to give as much available time as possible so we can find a partner that has similar available times.

If you know you can drive on a given date and time please write in the below columns. If you simply are unable to drive on a certain day or time write N/A and those times that you are not available.

ODOT guidelines state that we cannot allow you to drive for more than 2 hours in a rolling 7 day period (this only includes lessons, not additional practice time). For each 3 hour window you will drive for 1.5 hours and your partner will drive for the other 1.5 hours.

Please enter notes for requests if you have a partner already with a similar schedule and let me know if you are available to drive any days throughout the summer.

Please call us if you have questions about completing this form.
